By 7.00pm 31st May**

**Make it easy for yourself
& pay online into
Account : 02- 0876-0022167-000**

**With reference -name
If you say you will go,
but are a no show,
Please still pay.**

Happy Birthday wishes to

12th Mike Clemens

24th Brian Kennedy

President Tini

Last month I wrote that I was hoping for a 'normal' tea meeting, not knowing that this Omicron was going to lash its tail among the Lions (and still isn't finished I hear.) Thank you all for working with the postponement of a week, only dessert for dinner and joining on Zoom, so the Constitution vote didn't have to be put off for yet another meeting. Thank you in particular to Simon and Quentin, who looked carefully into the Trust Deed and Constitution, explaining to us that they saw flaws in the content, execution and the way it was brought about. Your commitment to the club is deeply appreciated. We need a variety of voices and opinions for us to make the best decisions. As Quentin said: "One day we might see that the club should have done it differently." But for now, the club has voted them in. The two documents have been sent away for approval, registration and application for IRD and bank account numbers.

We are therefore now well on our way to having our house in order, so we can get on with the real purpose of our existence: serving our community and letting them know who we are.

And wow, what a start we have made in May. Kindling, Pig Poo, Horse Poo, Water blasting, Painting, Gazebo at the Welcome Market etc. Working with Woodend-Pegasus and Selwyn the tickets have been bought for three young people to go to the Lions National Camp in July. Thanks Maureen. Ann has started introducing the three Lions Competitions (Essay, Peace Poster and Environment Challenge) to the six schools in our area. Watch this space!

At the last tea meeting I failed to mention a few bereavements. Ron Rivers died 16 April, aged 88. Ron was president of our club in 1980/81. John L. has entered online a condolence message on behalf of our club. Condolences also to Ray and Carol Twist. Ray's brother Kevin (80) died 29 April in Greymouth. And condolences to Alison and Tony for the death of Tony's nephew in a hit and run.

I hardly dare to say something about a 'normal' June tea meeting. But then again one should make plans and adapt when necessary. I'm looking forward to hearing Deidre Ryan and Louise Leech from Community Wellbeing NC speaking on what they do. I will be telling the CompassFM listeners at 10.30am that day (2 June) that the Lions gave them \$2000 in lieu of the ARR proceeds. Did you see the articles recently in our two local papers on this subject?

At the tea meeting I will be asking the new Officers of the club to consider attending the training day to be held on Sunday 19th of June, 11am – 3pm at the Ferrymead Den, Truscotts Road, Christchurch, so some car-pooling arrangements can be made. I hope to see you at the tea meeting, or at the projects, Stay safe,
Tini.

202E Training Day
for New Club Officers
19th June
11am-3pm
At Ferrymead Den
Truscotts Road
Christchurch
(Car-pooling arrangements)

Update on Fence Painting

This is the story of a great project of community service, cooperation between Lions and Leos and a bit of public exposure for our clubs and ParaFed Canterbury.
Four Lions started with the preparation of the fences on 30 April around the property (an 'accessible' house) of ParaFed Canterbury at Sovereign Palms, Kaiapoi.

The following Saturday Lions and Leos started the painting. It was quite a scene. Drop sheets on the lawn, Lions tear drop flag on the foot path, people with paint buckets and brushes all over the show. A fare bit got done. Thanks Andrew, for organising the much-appreciated sausage sizzle. A special thank you to Andrea and Claudia's mum for doing their lions share.

On Saturday 14 May I was forced to cancel with rain in Kaiapoi. But against all odds it cleared at noon and I was joined by two Leos and their father to apply the first coat of paint on a further 20 meters of fence.
Saturday the 21st and Sunday the 22nd turned out as we had envisaged for this project all along. Beautiful sunshine, no wind, 16 degrees and eight volunteers – a mixture of Leos and Lions and friends Nathan and Jack, on each of the afternoons.
Thanks, Rob, for cooking our lunch at 2pm. Bar a few finishing touches, we could admire the splendid result and have a photo taken.

The fence painting project has been completed and the proceeds of \$500 plus for each of the Lions and Leo clubs will be paid into the two project accounts. We've put in 100 volunteer hours!

Thank you so much to all of you involved with this. Especially the core-team who came back, day after day, while having done already plenty of hours of volunteering or jobs that day or week.
So much appreciated,
Tini.

The fence is painted.

Job well done everyone.

Health & Safety

Well we are off to a good start for the winters projects with pig poo, kindling, market place and apart from that nasty covid thing hitting some of us we have all survived pretty well.

Only one incident at the pig poo project when a trailer coupling suddenly popped up when loading started. No one was injured however its a good reminder of the possibilities and to ensure that we check all of the gear we use and the way we use them to avoid the risk of harm.

Please use our website and checkout its contents, there is lots of good stuff in there and its also where I place the information on H&S for each project. For your own safety check it out. (page 6)

Its been awhile since the devastating earthquakes we had in 2010 and 2011 however its probably a good time to remind ourselves of the emergency kit that most of us put together around that time. I know over the years the cans of baked beans and other items have been put into service for normal use but did we replace them?? I think uh! Uh! Most like ourselves will not have kept the kit up to date. Whens the next big one? I don't have a crystal ball on world shattering events but perhaps better safe than sorry what do you think?

Take care out there ,the temperature will drop lower and winters bite will again make its presence felt, wrap up and keep warm and dry but don't let the couch be too good an excuse not to enjoy the outdoors if you can.

Rob

Hello Lions,

We are delighted to announce that Rangiora High School Leos are able to hold their Quiz Night at Five Stage Rangiora in 2022.

**Mark
27th June at 7pm On
your calendar.**

We really appreciated your support in 2019, and would love you to book a team for this year's quiz. Tickets are 410 each, and you can have up to 6 people– we can add people to your team if you are on the night.

Leos have chosen Waikuku beach Surf Life Saving Club as our cause for 2022, as they do a terrific job with providing Lifeguarding, sort and education, especially for young people.

We are also looking for vouchers or items to auction off on the night, and would love to mention you as a sponsor – please let us know iif you would like to help us.

Thank you for supporting this great cause and we look forward to seeing you at the 2022 Quiz Night!

**Lisa Barnett
Treasurer– RHS Leos
Ph 0211729666**

Email: rangioraleos@gmail.com

1	Work near roadways and traffic	High	Wear Hi Vis vests and be aware of moving vehicles and other members of the public and residents.
2	Risk of electric shock-use of power tools/ water blasters	high	Caution to avoid water contact near electrical connections
3	Slip hazard on wet surfaces	high	Wear good shoes
4	Trip hazards	Med	Remove items that could cause trip hazards and promote good housekeeping
5	Sun exposure	high	Wear a hat and suitable clothing, apply sunscreen to exposed areas
6	Damage to personal clothing	high	Wear clothing suitable for the project –not your Sunday best
7	Overtiredness or strain	med	Take regular breaks/ rest –drink plenty of water
8	Allergy to wood surface esp. tanned timber and paint materials including thinners.	low	Wear appropriate gloves. If contact is made and skin or eye irritation occurs or , wash/rinse copiously with clean water
9	Skylarking and inappropriate behaviour.	med	Be sensible and consider others.
10	Contaminated Waste water	low	Allow to stand in a container overnight. By morning the paint solids in the container will have settled down to the bottom of the container. The clear water from this container may now be poured onto the garden or any grassed or open area away from streams, rivers or lakes, where it can be absorbed into the ground The tin and waste solids can then be disposed of in the normal council waste.

1st VP Maureen

Thank you for those who came to the VP meeting last night. There wasn't a lot to discuss, but after the meeting there were lots of chat about all things Lions.

*Ann and I attended in our new winter uniform. A Lions suit onesie!! We will be wearing these at the market days hoping to bring awareness to our club and tent And the fun that Lions can be.

*I have taken the sign boards to Hortons Signs and later this week will have to new look signs to check over.

*National Camp.

Yesterday there were some cheap flights to Wellington so quickly got the boys parents to grab these while they were on offer. So they are booked and really looking forward to what the camp has to offer. There are 3 lads who are going to connect before camp so they become friends to travel with to Wellington. Where they will be met by Lions and have someone with them until they meet the others and then travel by bus the balance of the way. it will be a long trip about 5 hours I am told.

*I have in touch with Shane from Coffee News with regards to advertising with them. He is going to make up the required template. We really need to be more "out there" Lions is not a secret club.

Saracens JAB sponsorship will be on hold until next year when we will have all required information at hand. Prior to decision making.

*The manure drive has started with a real hiss and roar. So anyone who has an hour or two on Saturdays please come and give a hand. We like to be home by 10am .If you have a trailer and can do some deliveries that would be more than helpful.

*A finding request has come through from a 17 year old wanting to go to Outward bound. April 2023. I have chatted to her and have asked if she keep me up to date with herself fundraising efforts.

We have made a pledge that we would donate later in the year but have decided not to put an amount at this stage.

Livvie has loads of things she wants to do as fundraising but at this stage has done nothing.

Cont page 7

*Thursday markets at the A&P Showgrounds from 3 until 7. We do flexi time and don't stay that long 5.30ish as its getting a little on the fresh side.

Ann has made up some amazing boards that are bring attention to the club. Passers by even recognized people in the photos. Older retired Lions stop and chat.

What does come out of the conversations is "membership" and how to get people to join. This is not a new issue it has been going on for a very long time.

* A couple of us went on the Kaiapoi River Queen lunchtime cruise. The day was truly stunning. Is this something we should look at as a group in spring or Summer.? Please pass on your thoughts to me. Week day pensioner rates \$55. included lunch and beverage. Its about 2 hours just cruising on the calm waters, watching the bird life.

* Sales table has been doing really good but last meeting it was not as successful as it had been .It has been decided to give it a break for June and maybe in action for changeover. That has yet to be decided. Watch this space or read the Rambler front to back for info.

* Kirstyn has made us aware that Bellyful are once again seeking assistance. They have something new on their menu and require rice as well as pasta for those who chose to donate.

Thanks
everyone for
all you do
big and
small. We
all
contribute in
our own
ways.

Cheers VP

**This little ditty about our piggy poo
It shows Lions dedication just for you
Saturday comes, and we want to really stay in bed.
But no!
Up we jump and out we head
To the heap there you will find
Our friends from Lions from our hood
Bagging poo that does so good
Banter sure does fly around, some of it even hits the ground
The baggers there I will not name
They may be there to seek some fame
The trailer team they mean so much to do their deliveries without fuss,
Delivering anywhere within the 'hood they know they're out there doing good.**

Thanks goes to Maureen for the poem and "Cool Graphics " for doing this Logo for the Club.

2nd VP Andrew

Well where has this year gone not long to go for this years lions year and then we all move about within the club.

What an interesting year for the club having to battle with Covid.

Early on in my year of second vice president we hit a lockdown, and all projects came to a standstill. But with a few phone calls, zoom meetings we dealt with the issue in front of us.

Once we could get back out there we headed to Taggart's yard and got stuck in and the club joined forces with our masks on and got over 500 bags off manure out. When the manure project had finished, we were heading into our busy Christmas time for the club, which in the end was quiet due to all the community events we help with being cancelled due to covid.

With all the free time over the Christmas/New year holidays I had, I jumped in the car and headed north to the sunny Marlborough / Nelson region and saw plenty of Lion club signs around the place.

Then we were into 2022 and the Ashley Ramble committee got together to make a decision on the event as covid was not going away. It didn't look hopeful that it was going to go away before the event. To make it safe to run, the decision was made to cancel the event (bit off a shame 2nd year in a row) but Rob M and the crew did a amazing job to get it where we got it to and the work was not unnoticed but we still decided to give the money to North Canterbury Wellbeing Trust and we did a few photos with them off late and an article that has now been in both local papers so good to see our club name out there.

When you read this we have now had 3 weekends off Manure bagging and deliveries and the numbers are sitting about 635 bags off Pig/Horse manure and off cause the kindling project is going on and seems to be going well. If you have free time Head down to the Thursday market at the show grounds to see the team and club down there.

Please keep safe out there and hope everyone who caught the covid bug in our club is now fully recovered. See you all next month and here is this months quote.

Without a goal, discipline is nothing but self-punishment.

Andrew Cook
2nd Vice President

Thanks to Alan Richards for the photos.

**3rd VP Bernie
Cans Coordinator
202E Zone 5 Chairperson**

The same old story.....no collections at present. Before the devil prompted me, I managed to put this together for the bulletin.

The Guest Speaker for June is Deirdre Ryan, the Manager of North Canterbury Wellbeing, whom the club gave a good donation recently. It is great that recipients are only too glad to come and speak and to thank us for any donation that we make. As I am also the Zone 5 Chairman, the next Zone meeting is 14th June. Cabinet is this coming weekend, so, behind the scenes, a lot of work is done by a few who are on Cabinet from our club. It is great that our club is highly thought of in the District. See you at the tea meeting.

Bernie

(Now this is the devil speaking, you have not been burnt yet!)

- [Stand and Deliver](#) 30-31 July in Christchurch

For all courses above register your interest at 202.glt@lionsclubs.org.nz.

MD202 Appointments

Congratulations to the following people that have been appointed to MD202 roles from 1 July 2022 for a three year term.

MD Heads Up 4 Kids Project Coordinator - Ann Saunders (202E)

MD Hearing Coordinator - PDG Louise Knapman (202D)

MD Leo Coordinator - Wayne Paulin (202E)

MD Alert Coordinator - Graeme Dewhurst (202L)

Council Advisory Board Member - CC Murray Pringle

Council Advisory Board Chair - PCC Graeme Wilson

Lions Clubs NZ Charitable Trust Chair - PCC Helen Williams

PDG Myra Davy (202L) has been appointed to the position of Young Speechmaker Coordinator and the current term of the role is to be extended to 30 September 2023.

SCRUMPY SCROODLES

INGREDIENTS

2x 250g sour cream pottles
 1/2 cup chopped bacon
 2 cup grated cheese
 1pkt Maggi onion soup mix
 1 cup plain flour
 1 teaspoon baking powder
 2 tablespoons finely chopped parsley (if you wish)

METHOD

Preheat the oven to 180 C (350 F). Grease the cups of 1-2 mini muffin trays (recipe makes 20).

Mix all ingredients together in a bowl. Spoon into the mini muffin cups and bake for 20 minutes until puffed and golden.

These can be served hot or cold but are best when warm. Can be frozen and reheated.

(I made these for the last Club Stall, Howard brought them and his wife asked for the recipe)

Angie Petty, Georgia and Sequoya – Team Petty Wanaka

Angie Petty, Georgia and Sequoya – Team Petty Wanaka Camp 2022.

Angie played video of this camp and thanked the Club for their support.

Sequoya and Georgia both heading to US colleges on full scholarships to study for sports degrees and improve as runners.

Angie to attempt to restart running career after becoming a mum.

Night

Monday 27th June

7pm start

5 Stags Rangiora

\$10 pp

Teams of up to 6

Proceeds go to:

Waikuku Surf Life Saving Club

**To purchase tickets, email rangioraleos@gmail.com
or text 021 1729666**

Membership Orientation 101 - Our Structure

As a follow up to PCC Jo Cameron (District 202M GMT Coordinator) article in last month's District Bulletin and following on from some very interesting comments I have been hearing just lately from former members of a club that believed "all the monies raised through paying their subs was sent to LCI in Chicago and Lions in NZ got very little of this money back" I thought I would expand on her article, Orientation 101-Our Structure.

These comments lead me to believe that when these past members joined Lions, they may not have received a comprehensive introduction into the structure of Lions Clubs International and so I have put together a brief outline of this structure in the hope that all Lions both New and longer serving can get a better understand or refresher on just how our organisation works.

The CLUBS 202E currently has 44 Clubs subdivided into two regions, Region One – North and Region Two South with Eight Zones of 4 to 8 clubs between them. Region and Zone chairpersons work closely with Club presidents and secretaries who serve as an informal advisory committee. The zone chairpersons are the usual liaison between clubs and the cabinet, however any member of cabinet may (and does) communicate directly with clubs.

THE DISTRICT The district is your club's connection to the wider world of Lions Clubs International. The world's 45,000 Lions Clubs are grouped into approximately 750 districts, each with 35 or more clubs and at least 1,250 Lions club members.

Each district has a District Governor who is elected for a one-year term and is responsible for the overall success of our mission of service within the district. The district governor team, the cabinet secretary and treasurer, region and zone chairpersons, Global Action Team, Lions Clubs International Foundation (LCIF), and other various officers and committee chairpersons make up the district cabinet.

MULTIPLE DISTRICT MD202 (New Zealand) consists of 7 Districts (D, E, F, J, K, L, M). The 7 district governors and their chairperson make up the Council of Governors; they appoint a number of officers and committee chairpersons to manage the multiple district level portfolios and serve the Lions of MD202.

LIONS CLUBS INTERNATIONAL Board of Directors is made up of the Executive Committee which includes the International President (Douglas X Alexander) the International Vice Presidents and other past International Presidents and Directors who oversee the teams and committee's that are instrumental in maintaining our ability To Serve and include the Marketing and Development, Audit and Finance, Programs, SightFirst Advisory and Lions Quest Working Group Committees.

I would certainly hope that for those of you that have recently joined Lions that your sponsors have already outlined this structure but if you require any further detail, you can always consult the multiple district directory to learn things like which zone your club is in, who your zone chairperson is, contact details for the 202E cabinet members, multiple district officers, cabinet meeting dates, council meeting dates and Convention Dates (District, Multiple District & International).

District 202E GMT Coordinator Brian Attenborough

Here's an explanation of what GMT, GLT and GST is to a Club member. It is really what you have been doing for years. But now it has a name.

GMT– Membership

The **Global Membership Team (GMT)** will support membership development At the club level by Recruiting new members and promoting positive membership experiences thereby providing the club with the means of Retaining its current members.

GST– Service

The Global Service Team (GST) helps clubs identify resources and use best practices to Improve their projects and, by extension, their impact.
Quality service projects increase member satisfaction and help attract
New members who are looking to serve.

GLT– Leadership

Global Leadership Team (GLT) provides the vision,
Guidance and motivation necessary
To positively impact our association.

Lions Clubs International FOUNDATION

Thank you to all that have donated to LCIF.

Tongan appeal has been supported by many clubs and funds will be used for infrastructure rebuild.

Ukraine Refugees and Displaced Peoples Fund are still actively seeking donations. Find out more about the support Lions are providing [here](#).

Campaign 100 finishes this year (30 June 2022) and at the time of publication a further US \$70 million is required to achieve the target goal.

MD DIRECTORY -

Club officer information showing in MyLCI at 15 May is the information that will be used to prepare the 2022-2023 directory. Your District Secretaries will check details of your club postal addresses, meeting dates, times and venues with you later this month prior to the directory being finalised. Any changes need to be provided to the District Secretary by the 3rd of June.

WE'RE LOOKING FOR USED EYEGLASSES!

PRESIDENT'S MESSAGE

**Service from the heart with
International President,
Douglas X. Alexander**

Dear Lion,

The greatest impact of your service goes far beyond what can be seen today. Your kindness is inspiring and influencing the hearts and minds of those who will continue the work you began. And by creating the right opportunities for Leos and young people in your community, you ensure that the leaders of tomorrow are getting started today.

Leos bring enthusiasm and energy to every project they serve. And that's great news for your club. So get your Leos involved and give them the benefit of your skills and experience. Though the challenges they face in the future may be different, kindness never changes. And neither does the heart of service. So let's give them the support they need to be ready for the work ahead.

Yours in service,

Douglas X. Alexander
International President

THE 2022-2023 CONTEST

Lead with Compassion

Children know how powerful compassion can be. They're often able to express this feeling more openly than adults.

This year, we invite young people to explore and visually express the peaceful future that compassionate leadership brings.

"My Crazy Challenge"

18

Michael (Mike) Clemens

As at 10.08pm on 21st May Mike's had raised

Mike Clemens

\$5,320

Why I'm riding for the Cancer Society

We are enduring a 250km Scooter ride from coast-to-coast to help create a future with less cancer with the Cancer Society.

As some of you know Pop is living with cancer. I say living because if you ask him it isn't killing him yet. I wish I was half as brave as my Dad and many other friends who are dealing with this every day. The least I can do is try something that is challenging and takes some grit in support of their battle. Any money that you can give will be greatly appreciated. I promise I won't give up and I won't give in no matter how bloody cold it is or how uncomfortable it gets. Little Blue and I will get the job done.

\$24

Helps to provide safe transport to and from cancer treatment

\$58

Helps to fund counselling for people affected by cancer and their whānau

\$107

Helps provide accommodation for those travelling for treatment

\$150

Contributes to research that improves prevention, diagnosis, and treatment

Well done Lion Mike !!!!

We all looking forward to hearing About the trip.

A few words from the Editor of the Rambler.

This week Lion Karen and myself have visited 2 schools. We came away with a buzz. But here is what we are presenting.

Youth competitions -6 schools 2022-2023

These are the schools that I have been given to work with.

Cust.

Fernside.

Te Maturau.

New Life. (Been advised not interested)

St Josephs.

Ashley.

There is 3 competitions that the schools can enter into .

The Peace Poster and Essay has the theme of “Lead by Compassion” . These close for our 6 schools on the 22nd September

-Peace Poster

-Essay for sight impaired

-Youth Environment competition.

The club decided at board that the prizes from the club would be -

1 prize for each competition of \$50 for 1st \$30 for 2nd \$20 for 3rd
= \$300

Plus \$30 for each school that put entries into any one of the competitions for drawing supplies = \$180

If all 6 schools entered all of the competitions that would total \$480

I have started visiting the 6 schools , Karen and I have had great response from 2 schools so far.

Head master Danny at Te Maturau wanted to take our photo with the students, which is on Oxford Estate Facebook now.

We're pleased to be partnering with Rangiora Lions Club on a number of initiatives in 2022 - including the "Heads up for Kids - Old Money for New Value" promotion.

Do you have old coins - NZ or otherwise - sitting in a drawer at home? Lions can put them to great use - we have a container at our school reception, and we appreciate your contributions!
