Chairman's Executive Summary

Executive Summary THE ORDINARY MEETING OF THE LLOYD MORGAN CHARITABLE TRUST BOARD OF TRUSTEES HELD IN ST ANDREWS ON THE TERRACE, WELLINGTON, SATURDAY 4th March 2023.

During this Lions year we have moved from "Drop Box" to Google Drive. The Honour Roll has been upload to Google Drive and is current to end of June 2022.

Constitution Review: Council of Governors has approved our requested consent to undertake constitutional review. Legal Advisor PCC Murray advised that it is a "work in progress".

The Lloyd Morgan Trust Newsletter will be included in future editions of Between the Lions. Treasurer Keith spoke of the additional processing requirements for the 2022 Annual Accounts. The Audit is now complete and the Auditor's report has been circulated to the Trust. Treasurer Keith will update the Charities website to include the current Trustees.

Emergency Grant Applications were received from both District 202M and 202K for Flood Relief and both districts have received \$10,000 from the Trust. The Administration Committee is going to investigate a 50th Anniversary Fellowship. This gives seven years to plan and fundraise for the anniversary Fellowship. We have had two Fellowships in the past, one for the Trusts 20th and the second for its 25th .

The Trust resolved that the Emergency Grant for Significant Loss and Damage be replaced with the DISASTER RELIEF GRANT. We believe that this will give our Clubs more flexibility in how they can help their Communities in a time of need.

The Trust is going to start holding Bi-monthly Zoom Meetings with the District Trustee's and the Chairman. We will also trial Zoom Training Days for new and existing Trustee's and will hold our first Training in May this year.

On 5th March the Wellington Children's Hospital Playscape was officially opened. There were two ribbons cut, one representing the past and present District Governors of District 202M and PCC Helen Williams. The second ribbon was cut by LCIF MD 202 Area Coordinator PDG Leo Danz and LMLCCT Chairman PID Eric Carter.

Our next meetings: Ordinary and Annual General - Saturday and Sunday 12th and 13th August 2023.

Chairman Lloyd Morgan Lions Clubs Charitable Trust

Wellington Childrens Hospital Playscape

The Lloyd Morgan Trust was proud to give \$ 40,000.00 to the Wellington Childrens Hospital Playscape. It was a huge undertaking and Lions throughout the bottom half of the North Island and the top half of the South Island were very involved in raising a lot of money to get this playscape built. Karori Lions and many other Lions were simply amazing people with what they did here. LCIF and Lloyd Morgan both got involved financially to get this project over the line. There was a lot of work involved. PID Chairman of the Trust Eric Carter said that the project fitted all of the criteria and the Lloyd Morgan Trust was happy to be able to be involved with the clubs and come on board.

We are all very grateful for the support of LMLCCT.

Lawrence Lions

Lawrence Playground Stage One Complete.

With the generous donation of \$9,000 from the Lloyd Morgan Lions Clubs Charitable Trust, work was able to progress on the installation of the new perimeter fence for the Lawrence Whitehaven Street Playground. After so many delays due to the continuing snowball effect from Covid 19, Lawrence Lions members hit the ground running when at 7.30am, Dec 19th chainsaws made short work of the old, rotting wooden fence.

Sections were sawn off and carted away on the back of club member's truck and jack hammers were used to chip away at the rather large concrete footings. After a combined total of 60hrs, the site was readied for the contractors to erect the new fence that same day with the completion of the fence on Dec 21st

Being positioned on the busy main street opposite the local dairy, the playground is frequently used both by local families and those stopping for a break whilst travelling. It is very reassuring that children can now play freely, safe from traffic and secure from wandering dogs.

The community and Lawrence Lions acknowledge the commitment of the LMLCCT to assist in worthwhile community projects and working with our 202F Trustee Graeme Wilson made the process very easy amongst so much frustration and de-

Warkworth Lions Lions

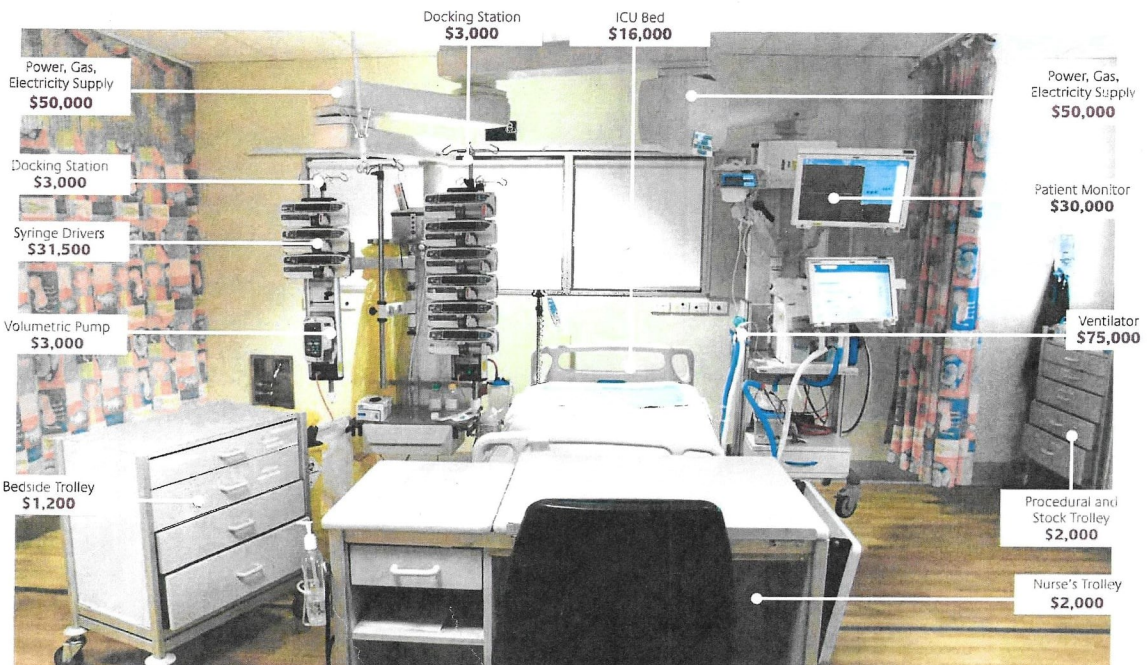

In June 2021 Warkworth Lions spearheaded a campaign to raise \$406,700 for Starship PICU. While we were confident we could do it at times it seemed like a huge task as activities were hampered by Covid.

Now March 2023 and we have done it. With the support of Lions Clubs across the country, and a grant from the Lions Clubs International Foundation our target has been reached.

Thank you to everyone who played their part in achieving this result. As a club we are proud and humbled by the generosity shown. Our children will benefit for years to come.

The Lloyd Morgan Trust were happy to support this extremely worthwhile project. The Trust offered to donate up to \$20,000.00 to see the project through to it's completion. We are all proud of Warkworth Lions and 1st Vice District Governor Peter Henderson when they announced that they had raised the amount needed and didn't need the assistance of our trust. Fantastic effort.

Total cost of an ICU Room: \$406,700

ICU equipment \$266,700 + Est. cost to build an ICU bed space \$140,000

Gisborne Wainui Lions

Cyclone Gabrielle hit many areas of the country hard in February 2023 and Gisborne was one of many areas that were the hardest hit. Lloyd Morgan did an emergency grant approval to both Districts K and M and these District Governors that applied received NZD 10,000.00 within 48 hours of their applications. Our trust can help quickly and efficiently in a crisis, a disaster, and indeed the end result is a hand up for people in need in our communities. There is a lot of mana and love all around in our communities and proud Lions are out there amongst it all helping those in need.
